Catfish Blues

Corey Harris

Well, I will, i's catfish swimming in the deep blue sea
Have all you good-looking women chasing after me
Chasing after me
Chasing after me

Now, there ain't, ain't but a one thing, that make me sing the blues
I ain't had no bottom on my last best shoes
On my last best shoes
On my last best shoes

Well I went to my baby, and I sat down on the stairs
She said Come on in and I'll blow your mind
My husband just now left
husband just now left
husband just now left

Now there's two, two train running
And it ain't never going my way
And there weren't no
Riding just for a day
Riding just for a day
Riding just for
Riding just for
