

The Story of Us

Taylor Swift

I used to think one day we'd tell the story of us
How we met and the sparks flew instantly
People would say, "they're the lucky ones" I used to know my place was a spot next to you
Now I'm searching the room for an empty seat
'Cause lately I don't even know what page you're on Oh, a simple complication
Miscommunications lead to fall out
So many things that I wish you knew
So many walls up I can't break through Now I'm standing alone In a crowded room
And we're not speaking and I'm dying to know
Is it killing you like it's killing me yeah
I don't know what to say since the twist of fate
When it all broke down and the story of us
Looks a lot like a tragedy now next chapter How'd we end up this way?
See me nervously pulling at my clothes
And trying to look busy
And you're doing your best to avoid me
I'm starting to think one day I'll tell the story of us
How I was losing my mind when I saw you here
But you held your pride like you should have held me
Oh, I'm scared to see the ending
Why are we pretending this is nothing?
I'd tell you I miss you but I don't know how
I've never heard silence quite this loud Now I'm standing alone in a crowded room
And we're not speaking and I'm dying to know
Is it killing you like it's killing me yeah
I don't know what to say since the twist of fate
When it all broke down and the story of us
Looks a lot like a tragedy now This is looking like a contest
Of who can act like they care less
But I liked it better when you were on my side
The battle's in your hands now
But I would lay my armor down
If you'd say you'd rather love than fight
So many things that you wish I knew
But the story of us might be ending soon Now I'm standing alone in a crowded room
And we're not speaking and I'm dying to know
Is it killing you like it's killing me yeah
I don't know what to say since the twist of fate
When it all broke down and the story of us

Looks a lot like a tragedy now, the end
