## Simply Red

Loving you just goes on  
On and on, on and on  
And on Growing with you  
Is pleasure for two  
Raising my spirits  
Hoping for you  
And I do And being with you  
I see a side of my life  
A chance to grow  
In a way that I never knew  
?Cause baby it's you  
Honey, it's you Find a movie where there's no one  
On and on, just having fun  
On our own 22 different shows on  
Don't care which one  
Just as long as we're having fun  
On and on and on ?Cause being with you  
I see a change in my life  
A chance to grow  
In a way that I never knew ?Cause baby it's you  
You you you, you you you, it's you  
Honey it's you  
Baby It's you  
You you you, you you you, you you you
