Bouncing Around the Room

Phish

The woman was a dream I had
Though rather hard to keep
For when my eyes were watching hers
They closed,
And I was still asleep.

For when my hand was holding hers
She whispered words and I awoke
And faintly bouncing around the room
The echo of whomever spoke
I awoke and faintly bouncing round the room
The echo of whomever spoke.

The place I saw was far beneath
The surface of the sea
My sight was poor
But I was sure
The sirens sang their songs for me
They dance above me as I sink
I see them through a crystal haze
And hear them bouncing round the room
The never ending coral maze
Then before and now once more Im bouncing around the room.

That time and once again Im bouncing around the room.
