

# Please Don't Say You Love Me (The Rak Sessions)

## Gabrielle Aplin

Summer comes, winter fades  
Here we are just the same  
We don't need pressure, we don't need change  
Let's not give the game awayThere used to be an empty space  
A photograph without a face  
But with your presence, and your grace  
Everything falls into placeJust please don't say you love me  
'Cause I might not say it back  
Doesn't mean my heart stops skipping when you look at me like that  
There's no need to worry when you see just where we're at  
Just please don't say you love me  
'Cause I might not say it backHeavy words are hard to take  
Under pressure precious things can break  
How we feel is hard to fake  
So let's not give the game awayJust please don't say you love me  
'Cause I might not say it back  
Doesn't mean my heart stops skipping when you look at me like that  
There's no need to worry when you see just where we're at  
Just please don't say you love me  
'Cause I might not say it backAnd fools rush in  
And I've been the fool before  
This time I'm gonna slow down  
'Cause I think this could be more  
The thing I'm looking forJust please don't say you love me  
'Cause I might not say it back  
Doesn't mean my heart stops skipping when you look at me like that  
There's no need to worry when you see just where we're at  
Just please don't say you love me  
'Cause I might not say it backPlease don't say you love me  
'Cause I might not say it back  
Doesn't mean my heart stops skipping when you look at me like that  
There's no need to worry when you see just where we're at  
Just please don't say you love me  
'Cause I might not say it backJust please don't say you love me  
'Cause I might not say it back
