

# Where Did You Sleep Last Night (live)

## Nirvana

My girl, my girl, don't lie to me  
Tell me where did you sleep last night  
    In the pines, in the pines  
    Where the sun don't ever shine  
I would shiver the whole night throughMy girl, my girl, where will you go  
    I'm going where the cold wind blows  
    In the pines, in the pines  
    Where the sun don't ever shine  
I would shiver the whole night throughHer husband, was a hard working man  
    Just about a mile from here  
    His head was found in a driving wheel  
But his body never was foundMy girl, my girl, don't lie to me  
    Tell me where did you sleep last night  
    In the pines, in the pines  
    Where the sun don't ever shine  
I would shiver the whole night throughMy girl, my girl, where will you go  
    I'm going where the cold wind blows  
    In the pines, in the pines  
    Where the sun don't ever shine  
I would shiver the whole night throughMy girl, my girl, don't lie to me  
    Tell me where did you sleep last night  
    In the pines, in the pines  
    Where the sun don't ever shine  
I would shiver the whole night throughMy girl, my girl, where will you go  
    I'm going where the cold wind blows  
    In the pines, in the pines  
    The sun, shine  
I would shiver the whole night through
