

Wind It Up (feat. Vonzell Solomon)

Todrick Hall

And I am yours yours
And I am yours yours Somebody told me love was a scary game
A puzzle that's impossible to win
Give it up
Hop off the love train
It'll only lead you to a dead end
And it might be tough but I'll chance it
I want to give your love a taste
This one's alive
Let's dance it
Don't want to let forever go to waste
Yeah Don't want to fall forever
Just let me look into your eyes
Cause you're the only one who can bring me back to life And I don't know much about love
But I know you got the key to my heart
Wind it up
And I am yours yours
Wind it up
And I am yours yours
And baby your touch is enough
And if we ever start falling apart
Wind it up
And I am yours yours
Wind it up
And baby I'm yours tonight
And baby I'm yours tonight
And baby I'm yours tonight Oh baby I'm feeling like I'm dancing on air
Let me go don't save me
But tell them all their hearts to be aware
Cause I'm out of control
I'm not wasted but I'm a little drunk on you
Don't steal my heart
Just take it
But only if you give me yours too
Yeah Don't want to fall forever
Just let me look into your eyes
Cause you're the only one who can bring me back to life And I don't know much about love
But I know you got the key to my heart
Wind it up

And I am yours yours
Wind it up
And I am yours yours
And baby your touch is enough
And if we ever start falling apart
Wind it up
And I am yours yours
Wind it up
And baby I'm yours tonight
And baby I'm yours tonight
And baby I'm yours tonight
Ballerina could you tell me
What I've got to do to make you fall down from the sky
Cause you look like you're trying so hard not to fall for this guy
Ballerina if you let me
I promise that I won't let you fall down
I've never seen a ballerina so scared to let her feet touch the ground
And I don't know much about love
But I know you got the key to my heart
Wind it up
And I am yours yours
Wind it up
And I am yours yours
And baby your touch is enough
And if we ever start falling apart
Wind it up
And I am yours yours
Wind it up
And baby I'm yours tonight
Wind it up
Wind me up
And baby I'm yours tonight
Oh wind me up
Oh wind me up
And baby I'm yours tonight
