

# We Shall All Be Reunited

[Patty Griffin](#)

Where is now my father's family  
That was here so long ago?  
Sitting 'round the kitchen fireside  
Brightened by the rugged glow  
We shall all be reunited  
In that land beyond the skies  
Where there'll be no separation  
No more marching, no more sighs  
Some have gone to lands far distant  
And with others made their home  
Some upon the world of waters  
All their lives have chose to roam  
We shall all be reunited  
In that land beyond the skies  
Where there'll be no separation  
No more marching, no more sighs  
Some have gone from us forever  
For with us they could not stay  
They have all dispersed and wandered  
Gone away, so far away  
We shall all be reunited  
In that land beyond the skies  
Where there'll be no separation  
No more marching, no more sighs  
We shall meet beyond the river  
In that land of pure delight  
Where no sickness or no sorrow  
Will our joys there ever blight  
We shall all be reunited  
In that land beyond the skies  
Where there'll be no separation  
No more marching, no more sighs  
No more marching, no more sighs
