

# Only You (feat. Mike REAL & Wes Writer)

## Flame

(Pre-Chorus:

Wes Writer) Cause I know it's you and only you that give that life

I fall down you pick me up every time

(every single time)

my whole life I can tell you I don't mind

my whole life I can tell you I don't mind

cause I know it's you and only you that give that life

I fall down you pick me up every time

my whole life I can tell you I don't mind

my whole life I can tell you I don't mind

I don't even mind

(Verse 1: Flame) I give you my life cause it ain't mine

life throwing strikes on that picture slide (that picture slide)

I know we living on borrowed time

let's go let's go

trying to hit a homer every time

yeah I'm running hard towards home base

sauced out on a double play

back catcher hugging home plate

But I'ma slide umpire you're safe

call me that carpenter uh

my Lord was a carpenter uh

{?} my heart {?} uh putting me back up to bat while I bunt nah

I want a home run

every now and then I strike out

and I wanna be in them bleachers yeah

man they look fun in them bleachers uh yeah

ignoring them biblical teachers uh

forgetting that I am a creature

forgetting that He is Creator uh

and players they do need a Saviour hot potato hot potato hot potato

back and forth when you making decisions

cause consequences they go litty I'm saying

it's overrated when you been in them stands

it's underrated when you fit in His plan many survive many survive

please understand please understand

Jesus turned a sinner man to a saint call it {?}

(Chorus: Wes Writer) It's you and only

you that give that life (you give that life)

I fall down you pick me up every time (every single time)  
my whole life I can tell you I don't mind
