The New Bright Children

Jason Rubero

Egret ships

In late fall

Swansongs now

Available in 5.1 surround sound

Bloodhounds dripping from every wound but

The biggest track's the hidden cut

And every animal is waiting for the day

Do you really wanna through your paradise

Across the table?

Autumn zebra divides

Under these tides

The new bright children are gettin' pretty dizzy and high

So sigh, the parents feeling like they're stuck

In life's plodding little rut

And every burning kid is waiting for the day

Youth assassin

In the shade

Mercy floods

The sleepers awake and find

They're all in love

Cut up the dove and shine the brightest lights

We're gonna get you through the night

And every android is waitin' for the day

Do you really wanna throw your paradise

Across the table?
