

Ymcmb Heroes

Jay Sean

Tyga and Jay Sean:-

A-a-a-a-a-a-a-a-a-a-a-a-ah

Life life

Im living my life life

Got a bitch wit an ass so nice

Night time talking off your tight

Have have a "G" night night

Getting head on a flight flight

20 hours flight , i ain't never been

A hater mother fucker

I ain't got no time

Young money like the lackers

in their prime

(prime prime prime)

Make money off a motherfucking rhyme

(rhyme rhyme rhyme)

T-Raw in the bitch like

with a bad bitch trying to get a ring in the prom

(prom prom prom)

My swaggers is nice, ward is bond

She might not know my name but she know my song

"really Raw", Tyga dog

tiger blood i eat your heart out

(out out out)

lick my paws hannibal lecter im so involved

follow alone Jay Sean pass the patron

We shining hard up in this mother fuck

So hit the lights lights lights

So hit the lights lights lights

Baby hold it

And let me holla on this remix for a moment

so watch me kick it then im gonna flip this script

and own it,own it

To all the haters, i made it and i'll be balling

yeah i'll be balling , balling

Yeah im the mother fucking man

and i'ma brag and i'ma glad that

your listening to my every word

so u can sit and analyze

and think of every curse so
you can try and describe what u think of this verse
so go ahead and take your time
and rewind it back it , it won't change that
I get a dollar , got a millions stacks
So many million sales they be up on the pleques
on the wall i my crib as of matter of fact (hahaha)
Yes its me come all the way pron overseas
Took that spot from the Black Eyed Peas
number one Billboard entry
Don't get me startes this ain't no petty party
I'm hardly new in the game i serve my time
in the army yeah yeah
Quarter of billion views up on the youtube
UK's number one most viewed
come out of the dark i dont ment to be rude
but its true somebody.....
Hit the lights lights lights
So hit the lights lights lights
Bushta Rhymes:-
its Bush Rhyme baby!
back in the kitchen 'm cooking
and i think you better listen
look i hit them again,while i give it to them
a kick in the door
and i shock them again let me spit it to them
oh s-s-shit
coming and going i be running the show

and i be knowing they knowing
and i be gunning and blowing and
and i be stitching and sewing
up everything up in this bitch, lets go
everybody that i'ma come and i'ma kill 'em
when we step up in this building
and you know that i'ma hit them
and i do it how i do it now i gotta get them
BbboooooooooohhhhhhH EXPLOSIVE
Everytime i grab a microphone
you know i must rep everybody know
it ain't a hanny kill a dupstep
and i murder everything while i become a suspect
better hit the light
better know that i'ma come and
i'ma run them off

you know it ain't a secret
bitch you fucking with a boss
bring me a bottle it don't matter what it cost
Hey hey hey hey hey hey
yeah we got them wilding in the building right now
the king is up i here you better bring the right crown
cause right up in this bitch you better turn the light now
its looking '???????? YMCMB

Do u really think you wanna test me
When u niggas know already who the best be
so i hang them then i cut them
i bang them then i shut them
i hit them in the back then
i really think that people really need to see so
hit the lights lights lights
do hit the lights lights lights

Lil Wayne:-

yeah cash money till the end of me
we family, his a friend of me
make real nigga moves you pretending to be
little nigga wanna take it for the pay
baby girl dug how nigga feel the day
thugging in public while my
thugging in public while my broads say they love it
couple of years back had pictures on my budget
my main chick clitch , clutch on her stomach
see chief posse beat these thug runner
stunna may say it other niggas get done this
my team get to it, other niggas run from it
tune got me touring the world
that one hundred niggas did it all
still i ain't done nothing
Jay Sean got us in the UK gone
gone nigga gone hit the stage strong
watch what u say long as te pay long
niggas think im a joke
get hit with the trey long
word to wayne i bet they heard the name
do he reserved the lane for me to start the flame
taking the boat, we dont take the plane
hoe girl shake it, you deserve the change
all she want is a few furs of fame
pop champagne , wear the chain
nah me and T ain't letting them wear the chain
unless she likes all that with her brain

bruce lee flow on the track, clear the fame
hood be the niggas since wayne and mac main'
tez slim , the don and the stunna man
YMCMB that will never change
tell them other niggas behave and act same
got the camera here is the action
so hit the lights lights lights
so hit the lights lights lights
