Addicted

Profyle

Yeah, oh yeah
HmmIt seems I'm addicted to your love
And I can't contain myself
Baby don't restrict me from your touch
Cause I don't want nobody else
I, I can't go on without you
It just don't make no sense
Girl I'm addicted to you
I don't wanna lose you
I don't never want us to be past-tense
Girl you know thatWhen I'm inside you
I always lose my cool
When I'm inside
Every last one of my dreams come true
When I'm inside
There's no other place I'd rather be
When I'm inside you
It feels so damn, damn goodEverytime you come around
I just can't seem to keep my clothes on yeah
The lights always dimmed when I'm in again
Going deeper than I did before
The rhythm of my hips, yeah
Is what you're body yearns for
Not to mention my kiss from your naval to your lips
Keeps you screaming for more, oohWhen I'm inside you
I always lose my cool
When I'm inside
Every last one of my dreams come true
When I'm inside
There's no other place I'd rather be
When I'm inside you
It feels so damn, damn goodHmm, hmm
Oh yeah, yeahWhen I'm inside you
I always lose my cool
When I'm inside
Every last one of my dreams come true
When I'm inside
There's no other place I'd rather be
When I'm inside you

It feels so damn, damn good
