

# June Carter

## Chelsea Williams

I want to be June Carter, don't you want to be Johnny Cash?

And you can sing to me Ring of Fire

I'll make believe you're not tone deaf

And I want to be Joan Baez, don't you want to be Bob Dylan?

And you can sing to me Baby Blue

but this time sing it tone deaf

Cause oh my darlin'

Oh my darlin' (x3), I'm never gonna let you go

So you want to be John Lennon, does that make me Yoko?

Oh, sing me a song nice and sweet now

And I'll sing a song tone deaf

'Cause oh my darlin'

Oh darlin' (x3), I'm never gonna let you go

Oh no I'm never gonna let you go, oh no I'm never gonna let you go
