

Boss Chick

Okolo Thadondiva

You got what I want
So baby give it all to me
Everything about you says your bad
Rockin your swag like a million dollar bag
Cuz baby you a boss
You a boss you a you a you a Boss Chick
Baby you a boss
You a boss you a you a you a Boss Chick
Nickname Miss Independent
When you in the streets girl you all about your business
Baby you a boss

Like Michael Jackson I'm bad
Bad from the lips to Tha thought to Tha ass
Yeah they wonder how I get that cash
Why I'm Tha Boss with the million dollar sack
Gotta make them haters so hot damn made
So givem all a toast with my Crystal glass
The hostess with the mostess
Didnt happen fast
Worked hella hard to collect this stash
Gon need about a billion pockets when I'm done
You can't say I didn't tell you I'm the one
Man I'm just gettn started
And I'm only having fun
Man down take cover
If I pull them big guns
Roll my nice ride in my nice fat house
Got a million dollar tit for an all talk mouth
Givem what they wanting
Stay bossed out
Keep in 100 glossed out

You got what I want
So baby give it all to me
Everything about you says your bad
Rockin your swag like a million dollar bag
Cuz baby you a boss
You a boss you a you a you a Boss Chick

Baby you a boss
You a boss you a you a you a Boss Chick
Nickname Miss Independent
When you in the streets girl you all about your business

Wrist stay gleam
Lookin real spicy in these name brand jeans
Everything you need
Ms. Independent
With that fire gasoline
And I need a little more than
1 or 2 G's
What is that a bag
And a meal at Micky D's?
Buy my own get my own but this ain't free
Can you bring it to the table like the waiter when I eat
While you over there singing can you give it all to me
Can you give it all to me?
Take care of a queen bringing heaven to your feet?
I'm a housewife, been a soldier in the streets
Get it go get it how a Boss Chick be
Live it how I love it so the world I see
In a bikini on Miami beach
A real classy lady
For my man imma toss
Real boss chick for a real male boss

You got what I want
So baby give it all to me
Everything about you says your bad
Rockin your swag like a million dollar bag
Cuz baby you a boss
You a boss you a you a you a Boss Chick
