

# Who We Are (saturday Night Mix)

## Hope Partlow

I don't wanna put on my make up  
Just like every girl in a magazine  
That's not who I am when I wake up  
That's not who I wanna be  
There's so much more to me than  
Meets the eye in this life  
I know one thing  
It doesn't really matter what you wear  
Let the people stare  
'Cause we are who we are  
Who we are, who we are  
It doesn't really matter what car you drive  
It's good to be alive  
Yeah, we are who we are  
Who we are, who we are, who we are  
Tell me, baby, do I look like the real thing  
Or would you change the color of my eyes  
Tell me why my television's filling me with lies  
It doesn't really matter what you wear  
Let the people stare  
'Cause we are who we are  
Who we are, who we are  
It doesn't really matter what car you drive  
It's good to be alive  
  
Yeah, we are who we are  
Who we are, who we are  
There is beauty on the inside  
Yeah, you're beautiful, alright  
Though it doesn't really matter what you wear  
Let the people stare  
'Cause we are who we are  
Who we are, who we are  
It doesn't really matter what car you drive  
It's good to be alive  
Yeah, we are who we are  
Who we are, who we are  
It doesn't really matter what you wear  
Let the people stare

It's good to be alive, good to be alive  
Doesn't really matter what car you drive  
It's good to be alive  
(Who we are)  
Yeah, we are who we are  
Who we are, who we are  
(Who we are)  
It's good to be alive, good to be alive  
When we are who we are
