A Dethroned King

Starflyer 59

This is how you know when you can't do right
Think you should have gone for a country life
Good for nothing when you lose your ring
Good for nothing but a dethroned kingA dethroned king, a dethroned king
A dethroned king, a dethroned kingThis is how you know when you lose your light
Think you should have gone for a country life
Good for nothing when you lose your ring
Good for nothing but a dethroned kingA dethroned king, a dethroned king
A dethroned king, a dethroned king
