

# Demon's Eye

## 1971 Deep Purple-Fireball

I don't mind just what you say  
I never heard you, baby, never heard you anyway  
I don't care what you do  
Just so long as it ain't me and you Sly, sly, like a demon's eye Everything's good, I said, Everything's fine  
You don't know, don't know it's the end of your time  
How does it feel to be turned away?  
I've known it, baby, almost every day Sly, sly, like a demon's eye I don't need you anymore  
I don't want you, baby, hanging round my door  
You slip and slide round my brain  
You think you're so clever, yeah, but you know you're insane Sly, sly, like a demon's eye I d-d-don't mind just  
what you say  
I never heard you, baby, I never heard you anyway, no I didn't  
Everything's good, everything's fine  
You don't know it's the end of your time Sly, sly, like the demon's eye, like the demon's eye  
Oh oh yeah, you're so sly baby yeah ooh yeah  
You make me feel upside down, oh  
[Incomprehensible]
