Skyy Boys (No Doubt)

Lil Toom

see am a young nigger and am making paper
Ill never use a favour like a grate dictater
Am from ma Fucken Motown
I used to live at sosh town
I shit on the homies who say I wouldn't
make it I pull up on em [?]
Look at me now
Daam my wrist than froze

Skyy boys no doubt
Skyy boys no doubt
All my homies they bite the style
So is
Skyy boys no doubt
