

# Illusion

Ross Lynch

I'll be your entertainer  
I'm puttin on a show  
I'm gonna levitate ya  
Leave ya  
Wa- Wa- Wantin more  
I see you fascinated  
I've got you hypnotized  
White gloves, what you dream of  
A fantasy before your eyes  
Chorus (don't say the word chorus thats just saying what this part is)  
Step right up on the stage  
Free yourself from the cage  
Pick a card and guess it girl  
Here's a lesson girl  
It's just an illusion  
1-2-3... I disappear  
I'm coming right back, so stay right here  
Ani't no second guessing girl  
I'm impressing girl  
But I'm just an illusion  
Ohhh... uh, listen  
  
(end of chorus)  
I aint no fake houdini  
I put a spell on you  
I'm somethin like a geni  
Girl I make your wish come true  
And now our time is runnin  
With every grain of sand  
So here's the grand finale  
Watch me do my sleight of hand  
Chorus( stop at illusion)  
Somewhere in a dream  
In a dream  
We'll meet again my baby  
And I promise that I won't disappear  
I'll be right here  
And I won't be won't be won't be  
Just an illusion (yeah, baby)

Chorus 2 times
