

Wonder (Single Version)

Natalie Merchant

Doctors have come from distant cities, just to see me
Stand over my bed, disbelieving what they're seeing
They say I must be one of the wonders
Of God's own creation
And as far as they see, they can offer
No explanation
Newspapers ask intimate questions, want confessions
They reach into my head to steal, the glory of my story
They say I must be one of the wonders
Of God's own creation
And as far as they see, they can offer
No explanation
Ooo, I believe, fate smiled
And destiny laughed as you came to my cradle
Know this child will be able
Laughed as my body she lifted
Know this child will be gifted
With love, with patience, and with faith
She'll make her way, she'll make her way
People see me I'm a challenge to your balance
I'm over your heads how I confound you
And astound you
To know I must be one of the wonders
God's own creation
And as far as they see, they can offer
Me no explanation
Ooo, I believe, fate smiled
And destiny laughed as she came to my cradle
Know this child will be able
Laughed as she came to my mother
Know this child will not suffer
Laughed as my body she lifted
Know this child will be gifted
With love, with patience and with faith
She'll make her way, she'll make her way
She'll make her way, she'll make her way
