

I Want To Know

Mark Trammell Quartet

Chorus: x2 at beginning

I want to know
I want to know that he will welcome me there
I do not want
I do not want to be denied
Let me live
Let me live in that city so fair
And that's enough
That's enough for me to know

Verse 1:

I do not know know know the day my savior will come
But I must be prepared to go
And if from Earth I know he will call me someday
Well that's enough
That's enough for me to know

Chorus

Well let me live
Let me live in that city so fair (faaaaaair)
That's enough
That's enough for me
That's enough
That's enough for me
O that's enough
That's enough for me
Me to know
That's enough for me to know

Continuation of Song:

Well I wanna know
I want to know that he will welcome me there
