Fathers & Daughters

Michael Bolton

If I could catch a star for you I swear I'd steal them all tonight To make your every wish come true and every dream for all your life But that's not how the story goes The world is full of perfect plans If there's a promise that I broke, I know one day you will understand When times are hard I know you'll be strong I'll be there in you heart when you'll carry on Like moonlight on the water, and sunlight in the sky Fathers and daughters never say goodbye An Angel I will read to sleep, gave me one dream of my own So learn to love and spread your wings, and find the one to call your home When times are hard I know you'll be strong I'll be there in you heart when you'll carry on Like moonlight on the water, and sunlight in the sky Fathers and daughters never say goodbye When times are hard I know you'll be strong I'll be there in you heart when you'll carry on Like moonlight on the water, and sunlight in the sky Fathers and daughters never say goodbye Fathers and daughters never say goodbye Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
