

Stay with Me (Acoustic Union Street)

Erasure

Tempered by greed, tall buildings breathe
Give a sigh of relief when it's night
Stirring from sleep, we night owls creep
Is there any sign of life under this stone? Star chime, hollow and true
Love child Weep for me, and I will set your wheels in motion
Walk with me the inner reaches of emotion Sheltered by creed, one piled on one
Do you have a little room for one small one? Light shine, wild and free
Sunrise Weep for me, and I will set your wheels in motion
Walk with me the inner reaches of emotion
Stand by me, and I will fill you with devotion
Walk with me the inner reaches of emotion Weep for me, the sands of time will fill the ocean
Keep with me, like a roller on the ocean
Walk with me, the inner reaches of emotion
