

# All I Want Is Everything

## Victorious Cast

I feel delirious, come let's get out of here  
We're so anonymous but it's all coming clear  
    We're heading for the sky  
    And we'll get lost in it cause  
    All I want, all I want, all I want  
        Is everything  
        [Chorus:]  
    And I will pose if I wanna  
    And will vogue like Madonna  
    I might not dance like MJ RIP  
    But I will give the best of me  
        All I want is everything  
Yes everything too much is not enough  
    I'm sick of settling for in between  
        And I'm not givin' up  
        As long as it feels right  
    At least we know that we're alive  
All I want is everything, yes everything, yeah  
    Whoa oh  
        We don't ever stop  
        Let's watch the sun come up  
        We'll sleep when we're dead cause  
            Halfway kinda sucks  
        We're heading for the sky  
        And will get lost in it cause  
All I want, all I want, all I want is everything  
    [Chorus:]  
        And I will pose if I wanna  
        And I will vogue like Madonna  
        I might not dance like MJ RIP  
        But I will give the best of me  
            All I want is everything,  
Yes everything, too much is not enough  
    I'm sick of settling for in between  
        And I'm not givin' up  
        As long as it feels right  
    At least we know that we're alive  
All I want is everything, yes everything yeah  
    Whoa oh

Hold on to me  
And I'll hold on to you (oh)  
Don't over think  
What have we got to lose  
It's me and you,  
Me and you no matter what  
Whoa oh ah oh whoa oh oh whoa  
We're heading for the sky  
And we'll get lost in it cause  
All I want, all I want, all I want is everything  
[Chorus:]  
And I will pose if I wanna  
And I will vogue like Madonna  
I might not dance like MJ RIP  
But I will give the best of me  
All I want is everything  
Yes everything, too much is not enough  
I'm sick of settling for in between  
And I'm not givin' up  
As long as it feels right at least we know we're alive  
All I want is everything  
Yes everything  
Whoa oh
