Jake Leg

Baroness

Jake leg!
Steal this wine away
Flay me
Underneath the brineRunning away
Through the sick and the pure
"Mind your feet!" lest they firmament treadCrawl past the soft
Spiraled sinewy teeth
"Soiled dove!" steal the fruit of it's jawsLady!
Keep those hounds at bay
Feed me
The fruits of AvalonThe body's a vessel
The hands find a cure
"Flesh is weak!" and my lip needs a meal
Weak in the knees
And you're wet on the floor
"Ace of staves!" we will dance evercome
