

# Jake Leg

## Baroness

Jake leg!  
Steal this wine away  
Flay me  
Underneath the brineRunning away  
Through the sick and the pure  
"Mind your feet!" lest they firmament treadCrawl past the soft  
Spiraled sinewy teeth  
"Soiled dove!" steal the fruit of it's jawsLady!  
Keep those hounds at bay  
Feed me  
The fruits of AvalonThe body's a vessel  
The hands find a cure  
"Flesh is weak!" and my lip needs a meal  
Weak in the knees  
And you're wet on the floor  
"Ace of staves!" we will dance evercome
