

Holding On

[Darren Styles](#)

Sick and tired of hearing all the same excuses
Words mean nothing now ain't got time for all this bullshit
I don't care how hard you try, you'll never get under my skin
Cause that's the mood I'm in
And I don't feel like, holding on, I don't feel like trying to be strong
All I want to do is walk away, there's nothing you can do, I don't feel like..... holding on too you.....
holding on too you..... holding on too you..... holding on too youAnd I don't feel like holding on, I don't
feel like trying to be strong
All I want to do is walk away, there's nothing you can do
I don't feel like..... Holding on too youInside out, trust me I can be confusing
Let me break it down, Play me and you'll end up losing
I don't care how hard you try, You'll never get apart of me
That's how its got to beAnd I don't feel like holding on
I don't feel like trying to be strong
All I want to do is walk away, there's nothing you can do
I don't feel like..... Holding on too you..... holding on too you
