Live Every Moment

REO Speedwagon

Live every moment, love every day
'Cause before you know it your precious time slips away
Live every moment, love every day
'Cause if you don't you might just throw your love awayI walked for seven miles this mornin', footprints in the sand
Washed away without a warning when the water hit the land
But I will walk on 'til I can no longer stand
I'll take you by the handAnd we'll live every moment, love every day
'Cause before you know it your precious time slips awayThere's water in the wind tonight, there's a chill in the air
It's coolin' down my skin tonight, soakin' through your hair
There's warmth enough within' tonight for both of us to share
We can take it anywhereAnd we'll live every moment, love every day
'Cause if you don't you might just throw your love awaySometimes I wish we could take a trip far away
Leave all this trouble and heartache and pain for another day
I will search for that place but 'til I find it all I can say
Is live every moment, and love every daySometimes I wish we could take a trip far away
Leave all this trouble and heartache and pain for another day
I will search for that place but 'til I find it all I can sayIs live every moment, love every day
'Cause before you know it your precious time slips away
Live every moment, love every day
'Cause if you don't you might just throw your love awayYou might just throw your love away
You might just throw your love away
Live every moment
You gotta live every moment
You gotta live every, live every, live every momentDon't throw your love away
Don't throw your love away
Don't throw your love away
