

Into The Great Wide Open

Tom Petty And The Heartbreakers

Eddie waited
Til' he finished high school
He went to Hollywood
Got a tattoo
He met a girl out there
With a tattoo too
The future was wide open
They moved into a place
They both could afford
He found a night club
He could work at the door
She had a guitar
And she taught him some chords
The sky was the limit
Into the great, wide open
Under them skies of blue
Out in the great wide open
A rebel without a clue
The papers said
"Ed always played from the heart"
He got an agent
And a roadie named Bart

They made a record
And it went in the charts
The sky was the limit
His leather jacket
Had chains that would jingle
They both met movie stars
Partied and mingled
There A and R man said
"I don't hear a single"
The future was wide open
(Ohh)
Into the great wide open
Under them skies of blue
Out in the great wide open
A revel without a clue
Into the great wide open

Under them skies of blue
Into the great wide open
A revel without a clue
(Ohh)
