Loner

Mykki Blanco

[Intro: Mykki Blanco]
I been feeling low shawty feeling low
Out of my zone, I'm on my phone, emotions can't control
I take a walk, I take a stroll I can't be going home
I cause a brawl fucking with yall I'm just a broken soul[Verse 1: Mykki Blanco]
I'm fucked up. I know that. I need help. I'm so sad
My best friends this loudpack's my lovers my left hand
I done slammed I done banged myself up I'm deranged
I know I'm really strange I know I'm not the same
As I was to you then like I am to you now
Understand this ain't how I want shit to go down
Is you fucking with me really?
You ain't fucking with me clearly
I'm severely going Grizzly in my head I feel so dizzy I...
[Chorus: Jean Deaux]
I don't need your pity please leave me alone
I been feeling feelings that I don't condone
Feeling like I'm about to break my fucking phone all these followers around me...[Post-Chorus: Jeremiah Meece & Mykki Blanco]
I'm alone, so alone, I'm alone so alone I'm alone so alone I'm a Loner[Verse 2]
People get caught up and I dont understand
Every niggas thats your fam is really just fan
Every dude that was your man he's got a complex
Was it your or was it him who sent the drunk text?
No trust I'm jaded your guarded I'm faded
I'm standing wasted on Snapchat I'm naked...
I done slammed I done banged myself up I'm deranged
I know really strange I know I'm not the same
As I was to you then like I am to you now
Understand this ain't how I want shit to go down
Are you really gonna screw me pull the trigger go & do me
Feeling gloomy I'm so loony, all this bullshit where's the beauty?[Chorus: Jean Deaux]
I don't need your pity please leave me alone
I been feeling feelings that I don't condone
Feeling like I'm about to break my fucking phone all these followers around me...[Post-Chorus: Jean Deaux & Mykki Blanco]
I'm alone, so alone, I'm alone so alone I'm alone so alone I'm a Loner
