4Ever

J. Valentine

You aint gotta tell me lies, girl if your numbers high
Even if I know im man enough, love to put that aside
All my boys can trip, cause this aint what I do
I dont give a damn girl youre way too much to loose
He could be a baseball player, start for the Lakers
D boy from the street, have 2 or 3 degrees
What that got to do with you and me?I could give a fuck about your first, Ima be your last
Baby Im your future, give a fuck about your past
We forever, ever, ever,
We gonna be forever babe
All he ever saw, was the things you used to do
I aint like them niggas, Ima treat you brand new
This forever, ever, ever,
We gonna be forever babyYou can call me captain, but I need saving too
I done my dirt so what I look like judging you
Would I look like holding hands with you
Would I look like spending grands on you
Girl I'll in sit up in them stands for you
Cause Im such a damn fan for ya
He could be a rapper or a singer, ride the bench for the Raiders
He could be a movie star, drive a fancy car
That aint gonna affect who we areI could give a fuck about your first, Ima be your last
Baby Im your future, give a fuck about your past
We forever, ever, ever,
We gonna be forever babe
All he ever saw, was the things you used to do
I aint like them niggas, Ima treat you brand new
This forever, ever, ever,
We gonna be forever babyThey say Im wrong, but you my right
Dont apologize, for living your life
If youre tired of playing, these silly games
Then put your hands up and let me hear you sayIm gonna love you, Im gonna love you
I dont care, if they know you
Im gonna kiss you, Im gonna kiss you
Ima give you, what youve been missingI could give a fuck about your first, Ima be your last
Baby Im your future, give a fuck about your past
We forever, ever, ever,
We gonna be forever babe
All he ever saw, was the things you used to do

I aint like them niggas, Ima treat you brand new
This forever, ever, ever
We gonna be forever baby
