Music Killed Me (Soft Pole Version)

I'm from Barcelona

Music almost killed me now and I don't understand
Music almost took my life, things got out of hand
Music almost killed me now, I don't understand
Music almost took my life, I don't give a damnShe almost killed me now
She almost took my life
She almost killed me now
She almost took my lifeI don't ever wanna come down from here to there
And I don't ever wanna slow down, oh dear, oh dear
I don't ever wanna come down from here to there
And I don't ever wanna slow down, oh dear, oh dearBut it doesn't really matter anymore
Cause you have to take some chances I suppose
And it doesn't really matter anymore
Cause you have to take some chances I suppose
