

Pig

Sweethead

Isn't it strange
How we move our lives for another day
 Like skipping a beat
What if a great wave should wash us all away
 Just thinking out loud
Don't mean to dwell on this dying thing
 But looking at blood
 It's alive right now
 Deep and sweet within
 Pouring through our veins
 Intoxicate moving wine to tears
 Drinking it deep
 Then an evening spent dancing
 It's you and me
 This love will open our world
From the dark side we can see a glow of something bright
 There's much more than we see here
 Don't burn the day away
 Is this not enough
 This blessed sip of life
 Is it not enough
 Staring down at the ground
Oh then complain and pray more from above
 Greedy little pig
 Stop just watch your world trickle away
 Oh it's your problem now
It'll all be dead and gone in a few short years
 Just love will open our eyes
 Just love will put the hope in our minds
 Much more than we could ever know
 Don't burn the day away
 Come sister my brother
 Shake up your bones shake up your feet
 I'm saying open up
 And let the rain come pouring in
 Wash out this tired notion
 That the best is yet to come
But while you're dancing on the ground
 Don't think of when you're gone

Love love what more is there
We need the light of love in here
Don't beat your head
Dry your eyes
Let the love in there
There are bad times
But that's ok
Just look for love in it
Don't burn the day away
Look
Here are we
On this starry night staring into space
And I must say
I feel as small as dust
Lying down here
What point could there be troubling
Head down wondering what will become of me
Why concern we cannot see
But no reason to abandon it
Time is short but that's all right
Maybe I'll go in the middle of the night
Take your hands from your eyes, my love
Everything must end some time
Don't burn the day away
Come sister my brother
Shake up your bones shake up your feet
I'm saying open up
And let the rain come flooding in
Wash out this tired notion
That the best is yet to come
But while you're dancing on the ground
Don't think of when you're gone
Love love what more is there
We need the light of love in here
Don't beat your head
Dry your eyes
Let the love in there
There are bad times
But that's ok
Just look for love in it
