

# ?Viva La Gloria?

## Green Day

Hey Gloria, are you standing close to the edge?  
Look out at the setting sun  
Brink of your vision  
Eternal youth  
Is the landscape of a lieThe cracks of my skin can prove  
As the years will testify  
Say your prayers and light a fire  
We're going to start a war  
Your slogans a gun for hire  
It's what we waited forHey GloriaThis is why we're on the edge  
The fight of our lives been drawn to  
This undying loveGloria, viva la Gloria  
You blast your name  
In graffiti on the walls  
Falling in broken glass and  
Slashing through these spirits  
I can hear it like a jilted crowdGloria, where are you Gloria?  
You found a home  
In all your scars and ammunition  
You made your bed in salad days  
Amongst the ruins  
Ashes to ashes of our youthShe smashed her knuckles into winter  
As autumns wind fades into black  
She is the saint of all the sinners  
The one that's fallen through the cracks  
So don't put away, your burning lightGloria, where are you are Gloria  
Don't lose your faith  
To you lost naivety  
Weather the storm and don't look  
Back on last November  
When your banners were burning downGloria, viva la Gloria  
Send me your amnesty down  
To the broken hearted  
Bring us the season  
That we always will remember  
Don't let the bonfires go outSo Gloria,  
Send out your message of  
The light that shadows in the night.  
Gloria, where's your undying love?

Tell me the story of your life, your life!
