

Let's Have A War

A Perfect Circle

There's so many of us,
So many of us,
So many, there's so many, there's so many
Let's have a war,
So you can go and die,
Let's have a war,
We could all use the money,
Let's have a war,
We need the space,
Let's have a war,
Clean out this place
It already started in the city,
Suburbia will be just as easy
Let's have a war,
Jack up the Dow Jones,
Let's have a war,
It can start in New Jersey,
Let's have a war,
Blame it on the middle-class,
Let's have a war,
We're like rats in a cage
It already started in the city,
Suburbia will be just as easy
Let's have a war,
Sell the rights to the networks,
Let's have a war,
Let our wallets get fat like last time,
Let's have a war,
Give guns to the queers,
Let's have a war,
The enemy's within
It already started in the city,
Suburbia will be just as easy
