

# Discorder (feat. Waxstar)

GrÃ©gory Van Praet

Discorder,  
Don't be discorder.  
You're not lost on your way.  
Discorder,  
Don't be discorder.  
Continue your hard way...  
Discorder,  
Don't be discorder.  
You're not lost on your way.  
Discorder,  
Don't be discorder.  
Continue your headway...
