English

-

I will think of you just once a day, miss you
Iâ€™ll try to forget you just once a day
Canâ€™t I? Canâ€™t I?
If I canâ€™t, then what do I do?

At one word you say, I smile
I live like a mirror every day
My day is yours

Canâ€™t stop me now Canâ€™t stop me now
The scent of spring that resembles you is still cold
Canâ€™t stop me now Canâ€™t stop me now
I canâ€™t stop, I canâ€™t stop loving you

I think of you at the blowing wind
I think of you at the dazzling sunlight
I canâ€™t stop, I canâ€™t stop loving you

If I take a step back, will you allow me? Miss you
I will be waiting from a step back
Canâ€™t I? Canâ€™t I?
If I canâ€™t, then what do I do?

At one word you say, I smile
I live like a mirror every day
My day is yours

Canâ€™t stop me now Canâ€™t stop me now
The scent of spring that resembles you is still cold
Canâ€™t stop me now Canâ€™t stop me now
I canâ€™t stop, I canâ€™t stop loving you

If I call out to you endlessly, crazily, crazily

Will you hear me at least once?

Canâ€™t stop me now Canâ€™t stop me now
My heart that only looks at you is still cold
Canâ€™t stop me now Canâ€™t stop me now
I canâ€™t stop, I canâ€™t stop loving you

I think of you at the blowing wind
I think of you at the dazzling sunlight
I canâ€™t stop, I canâ€™t stop loving you
