

Ammunition

Krewella

Say my name again
Watch me start a riot
Push me to the edge
I know you wanna try it Give me all your energy
Love me like an enemy
I know that you'll never stop
(So give me your best shot) I need you to be
The keys in my ignition
I need you to feed
The fire in me
'Cause you're still my ammunition (You-you-you, you are, you are)
You-you-you, you are, you are)
You've been on my mind
Bullet through my system
Don't apologize
I want the motivation Give me all your energy
Love me like an enemy
I know I should give you up
(But I just can't get enough) I need you to be
The keys in my ignition
I need you to feed
The fire in me
'Cause you're still my ammunition (You-you-you, you are, you are)
You-you-you, you are, you are)
'Cause you're still my ammunition
(You-you-you, you are, you are)
You-you-you, you are, you are)
I need you to be
The keys in my ignition
I need you to feed
The fire in me
'Cause you're still my ammunition So don't hold back-back-back-back-back
So don't hold back-back-back-back-back
So don't hold back-back-back-back-back
Put you in the gun and the gun kicks back
(You-you-you, you are, you are)
You-you-you, you are, you are)
I need you to be
The keys in my ignition

I need you to feed
The fire in me
'Cause you're still my ammunition
'Cause you're still my ammunition
