I Do Not Hook Up

Power Music Workout

Oh, sweetheart put the bottle down
You've got too much talent
I see you through those bloodshot eyes
There's a cure, you've found itSlow motion sparks, you've caught that chill
Now don't deny it
But boys will be boys, oh, yes they will
They don't wanna define itJust give up the game and get into me
If you're looking for thrills then cold feetOh, no I do not hook up, up I go slow
So if you want me I don't come cheap
Keep your hand in my hand
And your heart on your sleeveOh, no I do not hook up, up I fall deep
'Cause the more that you try
The harder I'll fight
To say goodnightI can't cook, no, but I can clean
Up the mess she left
Lay your head down and feel the beat
As I kiss your foreheadThis may not last but this is now
So love the one you're with
You wanna chase but you're chasing your tail
A quick fix won't ever get you wellOh, no I do not hook up, up I go slow
So if you want me I don't come cheap
Keep your hand in my hand
And your heart on your sleeveOh, no I do not hook up, up I fall deep
'Cause the more that you try
The harder I'll fight
To say'Cause I feel the distance between us
Could be over with the snap of your finger, oh, noOh, no I do not hook up, up I go slow
So if you want me I don't come cheap
Keep your hand in my hand
And your heart on your sleeveOh, no I do not hook up, up I fall deep
'Cause the more that you try
The harder I'll fight
To say'Cause the more that you try
The harder I'll fight
To say goodnightOh, sweetheart put the bottle down
'Cause you don't wanna miss out
