

# I've Been Thinking About You (Extend-O-Matic)

## Jocelyn Enriquez

Alone again  
I'm waiting for your love  
To come into my life  
I'll take you in and give you all I have  
Together we'll make it last  
I've been thinking about you again  
I'll be your lover and your best friend  
Every night I hope and pray  
That maybe you'll come my way  
We could be falling together in love  
You are the only one I'm dreaming of [Chorus]  
I've been thinking about you  
And I don't want to live without you  
You and I we can be just fine  
But I want your love to be all mine  
I've been thinking about you  
And I don't want to live without you  
You and I we can be just right  
But I need your love tonight Here I am still waiting for your love  
So come into my life  
Take me in and never let me go  
Baby just hold me close  
I've been thinking about you again  
I know you know so I won't pretend  
Every night I hope and pray  
That this time you'll come my way  
We could be fallin together in love  
You the only one I'm dreaming of We could be falling together in love  
You are the only one I'm dreaming of
