Live on stage!" Aiiyo, basic mathematics - add shit, subtract shit
Multiply, divide, break down shit to fractions
Equality - Not greater than or less than
Los Angeles, Brooklyn, connect to Manhattan
Expansion Team - Movin' through lights, cameras and action
Thoughts to ideas, designs to manufacturin'
?To we blaze and make it happen
On stage I quote the bible then blast like Sam Jackson
{*"I jump on stage and change forms*
Rock it, don't bug out, kid, my team scores
A lot of emcees out there with phony lives
They master the studio but never master the ceremon'
Check it live Dazzlin - Dilated displayin' a new sound"*
We all live on stage
"Run up in your venue like what what what!"*

Live on stage!" You know we - break barriers, redefine the coast
Classic hits like Ice Cube's "AmeriKKKa's Most"
Dilated - extra extra, read the front page
Catch us live on stage - like Roxanne Shante
Straight out the cage - learn ya lesson
Yo, studio sessions are not shows

Learn ya lesson - in shows and studios
 This here breath controls all I got to lose
 But the architects respect it - live in House of Blues
 Flow for my peeps - thats true
 You know we take it live on stage
 And new levels for you
 Thirty bucks a ticket?
 No, that's breads and breaks
 So I'ma stay sharp and seperate the real from fakes
 You know Dazzlin - Dilated displayin' a new sound"*
 We all live on stage
 "Run up in your venue like what what what!"*
 Check it out y'all! Evid Check it out
 You're now rockin' with the world's best

 Live on stage!" {"Now through cuts to Alchemist's instrumental*"
 {"Dilated live" {"B-believe it when you bleed it*
 {"Run up in your venue like what what what!"*
 {"Li-li-li-live on stage"* {"Talib Kweli*"I got the crowd in the palm of my hands
 It go like the dominant strands
 Squeeze as hard as I can
 Stormin' like that beach in Normandy
 So just droppin' the sand
 The way I'm rockin' the fans
 Like when you take a homeless man and you promise him land
 Understand I rock for Dilated
 The longer you wait, longer you get violated
 If words was notes, I say it the way Miles play it
 I know my styles hated - you can't get nowhere near it
 Instead of investin' in hate, you should invest in merit
 Look at yourself, you monstrosity of hypocrisy
 Tryin' to be the king of media, you the king of mediocrity
 Chop your flow, disposable, like heroes of the prophecy
 I got the evidence that me and Rock know how to flow properly
 C'mon man Dazzlin - Dilated displayin' a new sound"*
 We all live on stage
 "Run up in your venue like what what what!"*
 Check it out y'all! Evid Check it out
 You're now rockin' with the world's best
 "Dazzlin - Dilated displayin' a new sound"*
 We all live on stage

And we do it for you
We do it for you
We do it for you
Live on stage!"
