

# Who's Gonna Stand Up? (Mixed Pages)

## Neil Young

Protect the wild  
Tomorrow's child  
Protect the land  
From the greed of man  
Take down the dams  
Stand up to oil  
Protect the plants  
And renew the soil  
Who's gonna stand up and save the earth?  
Who's gonna say that she's had enough?  
Who's gonna take on the big machine?  
Who's gonna stand up and save the earth?  
This all starts with you and me!  
Damn the dams  
Save the rivers  
Starve the takers  
And feed the givers  
Build a dream  
Save the world  
We're the people  
Known as Earth  
Who's gonna stand up and save the earth?  
Who's gonna say that she's had enough?  
Who's gonna take on the big machine?  
Who's gonna stand up and save the earth?  
This all starts with you and me!  
Ban fossile fuel  
Draw the line  
Before we build  
One more pipeline  
Ban fracking now  
Save the waters  
And build a life  
For our sons and daughters  
Who's gonna stand up and save the earth?  
Who's gonna say that she's had enough?  
Who's gonna take on the big machine?  
Who's gonna stand up and save the earth?  
This all starts with you and me!  
Who's gonna stand up  
Who's gonna stand up  
Who's gonna stand up  
Who's gonna stand up  
Who's gonna stand up
