Crowded Streets

Savoir Adore

Hey, nothings ever gonna change
It always stays the same and
Hey, we're lost in a dark place anyway and anyway and you said nothings ever been here and you said we in the wild but you couldnt seeWere running to the crowded streets hands will meet and then we'll see
To the edges to the one beneath that our love will never dieHey you wait dont you cry
hey, we wait its just a lovers disguise and
You said open up your eyes now and you said were in the wild but you couldnt see
