

# Legion

## HammerFall

The war still remains  
No Kingdom on earth  
There's only pure evil, indifference to birth  
In the tombs of the dead  
One man breeds alone  
The unearthly warfare shadows the throne  
Three temptations written down  
The Lust of flesh, lust of the eye  
Finally the pride of life  
The Demon Twelve, the hell hounds  
My name is Legion, for we are many spirits inside of one  
To build a land of chaos, brought forth from the Abyss  
My name is Legion, and we bring destruction and death  
Possessing his soul  
The curse of the damned  
A tormented victim, to the bottom he's slammed  
One man stands alone  
Trapped, under a spell  
Encounter your demons, send them to Hell  
No temptations left to fend  
Sanctified, Anti Christ  
Casting shadows towards the cross  
The Demon Twelve, the hell hounds  
My name is Legion, for we are many spirits inside of one  
To build a land of chaos, brought forth from the Abyss  
My name is Legion, and we bring destruction and death  
The Demon Twelve, the hell hounds  
My name is Legion, for we are many spirits inside of one  
To build a land of chaos, brought forth from the Abyss  
My name is Legion, and we bring destruction and death
