

# The April Fools

[Dionne Warwick](#)

In an April dream  
Once she came to me  
When you smiled I looked into your eyes  
And I knew I'd be loving you And then you touched my hand  
And I learned April dreams can come true  
Oh are we just April fools  
Who can't see all the danger around us If we're just April fools  
I don't care, true love has found us now  
Little did we know  
Where the road would lead Here we are a million miles away from the past  
Travelin' so fast now  
There's no turning back  
If our sweet April dream doesn't last Are we just April fools  
Who can't see all the danger around us  
If we're just April fools  
I don't care, we'll find our way somehow No need to be afraid  
True love has found us now
