

Ah Ha

Esham

Felatio

felatio

felatio

felatio

Felatio baby It feels so good yo

twelve gauge

road rage

Watch me dive right off the stage Into the sea of life

where you will never age

Body hemorage

street labodomysodomy

Cut the ratio

Female felaciowith my nine and still

I wanna fuck you like an animal

Hanabal

Straight out the bush of the jungle Early mungles

Till the moon never fumbles Sticky glue gets crumbled

we wanna rumble

all these girls and these boys

Lets make some noise Out here you only got 1 choice Every minute ever hour end of hour all hour

That's to enjoy

thrustin through the galixy I only move foreward singinah-ha ah-ha singin ah-ha ah-ha singin ah-ha ah-ha ah-

haregardless of viagra still the hardest rap artist microwave road rage

Toys in the darkness let me spark this let me start this Rave back to your cave unless you be livin in the home of

the brave S n m bring your mamma and her friends s n m bring all horny friends

Imma part of this just like you

Imma a diciple of natis with work to do Ill bide you guide you hard to slip inside you

back but I know what you want someone to hide you

bump jump get it crump gang bangas love to dump

down with work so watch my universal slummmpp.uh uh uh... singing ah-ha ah-ha....
