

Battery Brides (Andy Paints Brian)

[XTC](#)

Battery brides, have you ever tried
To break out of your waiting room
And find yourself a waiting groom
Battery brides, battery brides
She left school with a million others
And worked in a store part time
She dreams of a husband and a lover
Doesn't realize she's on the production line of
Battery brides, have you ever tried
To break out of your waiting room
And find yourself a waiting groom
Battery brides, battery brides
Battery brides, have you ever tried
To break out of your waiting room
And find yourself a waiting groom
Battery brides, battery brides
She left school with a million others
And worked in a store part time
She dreams of a husband and a lover
Doesn't realize she's on the production line of
Battery brides, have you ever tried
To break out of your waiting room
And find yourself a waiting groom
Battery brides, battery brides
