Beautiful Thing You

Wildhearts

and in the time it takes to feel, I could swear that you get closer every day
and my only hope is when it all comes real, I don't fuck it up and throw it all away
'cos every time the chaos starts - time after time
the message screams into my heart, we're always an ocean apart
(you're always in my heart)CHORUS:
oh, woah, woah, you beautiful thing you
you beautiful thing you, you beautiful thing (aah-aa aah-aa aah-aah-aah)
oh, woah, woah, you beautiful thing you
you beautiful thing you, you beautiful thingwhen I console myself when life is throwing spears, there's a growing love the spirit deep inside
and a part of me has felt it getting near, trying patiently to [brave/break] the great divide
and if I fall I won't look down - I'll face the sky
I'll be there second time around - to practice the balance I've found
(I'll always be around)CHORUSalways an ocean apart
(you're always in my heart)CHORUS
(you beautiful thing)
you beautiful thing (you beautiful thing)
you beautiful thing
