

# Blue Pastures

James

Blue pastures fade away  
Green rivers in silver light  
I'm walking to the sound of distant bells  
So peaceful I don't know who I am  
And just when I think its clear  
It turns all grey again  
And I wonder who will find me in the snow  
And just when I thought I was free  
I got pulled in again  
Once you're in, you're in  
Blue pastures calling home  
I'm Walking but I can't stand anymore  
Hear voices, can't tell near or far  
Weird voices lay me down  
And I don't see why I'm obliged  
To just carry on  
When everything I touch  
Turns out wrong  
And I feel I've committed some crime  
But I don't know what I've done  
One day life just wins  
One day life just wins  
Still breathing  
But I'm tired and I want to go home  
Still breathing  
But I'm not sure anymore  
Still breathing  
But it doesn't really matter if I fade away  
Fall into sleep  
Fall into sleep
