You Know That I Know

Yolanda Adams

Lord, You've been in my shoes before
You already know what's up
You've been rejected by those closest to You
You've even drank from life's bitter cup
You know what it's like to be denied
And to have tears swimming in Your eyes
Sometimes, I want to hold up my hands
But I know You have a plan for me
(Because I told you)
I will be your everything
To me all your troubles bring
For me I want you to sing
You know that I know
I assure you I'll be there
All your burden I will bear
I'll let you know that I care
You know that I know
Lord, You felt what I feel
You know that the pain is real
Those who were there that said they loved You
Turned their backs when You needed them
But I must say
You have never let me down, nor forsaken me
You would always pick me up
When the world would fall on me
I can trust in Your every word
Your voice, I hear You
I know I heard You tell me, say
(Because I told you)
I will be your everything
To me all your troubles bring
For me I want you to sing
You know that I know
I assure you I'll be there
All your burden I will bear
I'll let you know that I care
You know that I know
I take a stand and hold my ground
For in me true love is found

I will always be around
You know that I know
Even when you heart is breaking
When it seems to much to take
And even when your soul is aching
You know that I know
Even when the world is cold
I'll be there your hand to hold
Trust me, love me and be bold
You know that I know
No-one else can give you more
Blessings for you are in store
I will never ignore you
You know that I know
I will be your everything
To me all your troubles bring
Girl, I want you to sing for me
You know that I know
